DEVILBISS

AGN automatic spray gun

- Needleless, diaphragm automatic spray gun
- Very Compact and lightweight
- High grade stainless steel and case hardened nitralloy steel Fluid Tips available
- For waterborne application

AGN is a diaphragm operated automatic spray gun for use with ceramic glaze, vitreous enamels, liquid polishing compounds and similar materials. It is ideally designed for continuous applications such as ceramic tile manufacturing.

It can be used with solvent based coatings by fitting a PTFE protective diaphragm.

Part numbers

Part no: AGN-502DN Hardened
2.0mm fluid tip
AGN-502FFH Stainless
steel 1.4mm fluid tip
AGN-502FFN-704
Hardened 1.4mm fluid tip
AGN-502FXH Stainless steel
1.1mm fluid tip

Technical specification

Model: AGN502
Air supply atomising 1/4" universal
Diaphragm 6mm push-in tube connector
Coating material supply 3/8" universal
Weight 560g
